Q.4 Attempt 2 (TWO) Marks – 20

- a. You have exported goods to Iran. US and European Central Banks have put sanction against IRAN for settlement in USD and Euro currencies. The buyer is willing to pay but Iranian Bank's are not able to pay you the money for the goods exported. Kindly give your suggestion in view of the fact that IRAN is a ACU member country and also the Govt. of India have recently paid USD 5 Billion due to IRAN for oil payment through Turkey. Explain how you will get the money and what you think RBI, IMF and Export Promotion Councils should do to solve this issue?
- b. What is the impact of Rupee Depreciation in last few months on exporters, importers, Inflation and Country's Balance of Payment situation? What are your suggestions for RBI to control the volatility and inflation and exporters, importers to hedge their receivables and payables?
